

Functional Genomics Laboratory at TAU presents

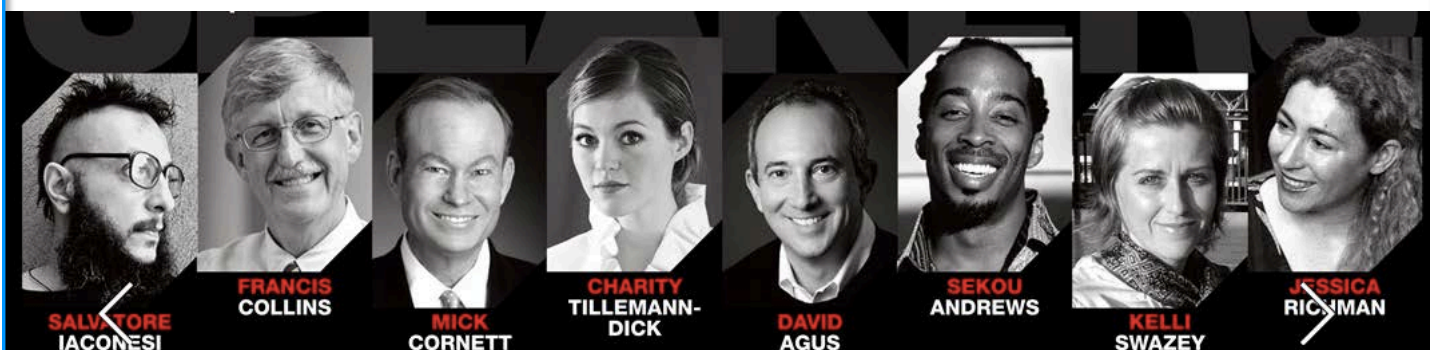

at the Sackler Faculty of Medicine

Thursday, April 18, 2013

10:00-17:00

Meyerbaum Hall

TEDMED Event taking place in Washington DC April 16-19
will be broadcast at TAU

<http://www.tedmed.com/event/abouttheevent?ref=speakers>

Some talks: When is a Lose-Lose a Win-Win?
Could a citizen scientist win a Nobel Prize?
Can science take the next leap?
How does mortality inspire creativity?
And more....

Drop in and out during the day to hear talks that interest you!
